Notes

There are a lot of factors that go into drop-off and dismissal times. In the event staff seem rushed or are unable to have a conversation, please know this is nothing personal and we are trying to get kids in/out in a quick and orderly fashion.

Monthly Recap

Our two WildBots LEGO teams have been working hard this month. They have started researching ideas for their innovation projects and started designing and coding their robots. Their competition is in early December.

We celebrated our first 8 ROAR student nominees! These students are highlighted in demonstrating one of our Wildcat traits: respect, overcome, achieve, reach. They enjoyed a pizza party today with Ms. Melonie.

Parent/teacher fall conferences will take place September 26-29. These will be in person and in your child's classroom. Please be on the look out for a sign up from your child's homeroom teacher.

Reminders

- Students can be on campus beginning at 7:30am.
- No cell phones during the school day.
- Please keep all toys at home.
- Due to health safety and food allergies, please keep family size bags of chips at home. Snack size bags are acceptable.
